Bengal Cancer Summit 2025

(Annual Conference of Oncological Society of Bengal)

Theme:

'G I Tract Cancers: Emerging Concepts'

Invitation

Dear Friends & Colleagues,

It is a matter of distinct pride and great honour to invite you to the "**Bengal Cancer Summit 2025**"-(**Annual Conference of Oncological Society of Bengal**), to be held on the **19th April, Saturday, 2025 at The Spring Club, EM Bypass Kolkata.**

The theme of this Conference is "**G I Tract Cancers: Emerging Concepts**". Hence, the entire scientific program is designed around contemporary and state-of-the-art developments regarding this theme and will present many experts of national eminence from the field of Medical, Radiation and Surgical Oncology.

This Conference, like the previous ones, will give ample opportunities to listen to and learn from experts in these domains, exchange views and information with others and eventually prove to be a captivating way of keeping up to date with newer trends that could potentially redefine the future of Cancer management. We cordially invite one and all working or training in the relevant fields of Oncology to actively participate in this prestigious Conference. We eagerly look forward to meeting you at the Conference.
