Dear Friends,

We cordially invite you to participate in the forthcoming "Bengal Cancer Summit 2025"-(Annual Conference of Oncological Society of Bengal), the theme of which is " G I Tract Cancers: Emerging Concepts". This conference will be held at The Spring Club, EM Bypass Kolkata on the 19<sup>th</sup> April, Saturday, 2025. More than 100 delegates from all over the state and several faculties of national repute are expected to attend the Conference. Eminent researchers, Clinicians will deliver the expertise on different aspects of management of cancers in the aforesaid setting.

Like our previous conferences, this prestigious conference will also have stimulating debate sessions, thought-provoking panel discussions and interesting talks about newer developments in the intriguing field of personalized management modalities in cancers of different types. Detailed and thorough deliberations carried out by experts of national and international repute will bring in relevant and adequate opportunities for your products to be suitably discussed leading to creation of new and expansion of current endorsement prospects for them.

Bengal Cancer Summit 2025 is all poised to give you the necessary fillip and opportunities to not only improve and strengthen your focus on your key brands within the fraternity but also help you consolidate your position in the industry.

We look forward to your support and active participation in this Conference so we can reach out to those who will open new vistas in the personalized management of several cancers.

Thanks & Regards,
